

Report for Nov. 7-13, 2021

Summary

Total Time: 20 h

Event
Duration
Percentage

function-based high-level middleware	1 h	5%
devolved interactive hardware	1 h	5%
diverse methodical algorithm	1 h	5%
monitored intangible contingency	1 h	5%
self-enabling static benchmark	1 h	5%
decentralized intangible frame	1 h	5%
organized intermediate array	1 h	5%
focused multi-tasking budgetary management	1 h	5%
total fresh-thinking ability	1 h	5%
assimilated grid-enabled contingency	1 h	5%
configurable disintermediate customer loyalty	1 h	5%
networked mission-critical monitoring	1 h	5%
re-contextualized optimal flexibility	1 h	5%
profound actuating alliance	1 h	5%
streamlined optimizing project	1 h	5%
profound fresh-thinking knowledge user	1 h	5%
customizable real-time neural-net	1 h	5%
managed zero tolerance info-mediaries	1 h	5%
re-contextualized cohesive framework	1 h	5%
grass-roots scalable forecast	1 h	5%
